

About Our School

First Christian Preschool is a non-profit organization that operates as a ministry of First Christian Church. The school benefits from First Christian Church through facility use and custodial care. The Youth Center facilities and church staff are also available to the Preschool. The church partners with the Preschool to help support the Preschool's mission.

Our mission: First Christian Preschool continues its original purpose of nurturing children in body, mind, and spirit, so they, like Jesus, will grow in wisdom, in stature, and in favor with God and man. (Luke 2:52)
